ATTENTION

HAPPY NEW YEAR!

Its time to make a new years eve resolution and celebrate the new year. Make sure you and your family are prepared to bring in the new year safely.

- When attending large celebrations have a plan to meet up with your family if you get separated
- When traveling long distances break up your trip and plan for an overnight stay driving fatigued can be deadly
- Each New Years Eve someone makes the wrong decision to drink and drive.
- If your going to a celebration take the time to plan ahead
 - Have a designated driver's
 - If hosting a party make sure there are non-alcoholic drinks available
 - Remember the one who drank the least is **NOT** the designated driver

BE ALERT, STAY ALERT, STAY SAFE!
