

EMERGENCY NOTIFICATION CARD

BUILDING/FACILITY MANAGERS:

Please post current Emergency Notification Cards on all EXIT doors of your facilities with names and telephone numbers of people that have complete access to the entire facility. You may obtain the Emergency Notification Cards by going to The Fort Knox Intranet Website and clicking on "Publication", then on "Fort Knox E-forms", then either on "Form Flow" or "PDF file", and then on "FK 5003 Emergency Notification Card" dated April 91 version 1.00. Page two is the back side of page one and post both pages.

An alternative method of notification is available. E-mail the required following information to the Fort Knox Fire Inspection Section and the information will be kept electronically at The Fire Department.

Building Number:

Building Address: (Street) (Cross Street)

Name of Building/Facility Manager:

Telephone Number of Building/Facility Manager: Business:() And Home or Cell: ()

Name of Building Fire Marshal:

Telephone Number of Building Fire Marshal: Business: () And Home or Cell: ()

Emergency Notification: in case of emergency or if building is found unsecured, notify one of the following listed personnel

(List the names in the order of notification and will be updated within 3 working days of any change)

Name: Telephone Numbers: Home: () Cell: ()

Name: Telephone Numbers: Home: () Cell: ()

Name: Telephone Numbers: Home: () Cell: ()

Name: Telephone Numbers: Home: () Cell: ()

The individuals whose names appear above have read pages one and two of FK 5003 form and consent to the disclosure of personal information recorded thereon.

A copy of form FK 5003 with signatures is on file at the listed building with the Building/Facility Manager and available to review on demand by Fort Knox Fire Department or Military Police.
