FIRE EXTINGUISHER REPLACEMENT AND PROCESSES

-Information below outlines procedures for replacement of out-dated Fire Extinguishers or over protection of heavy extinguishers;

IAW AR 420-90 Fire and Emergency Services. Pg. 14 par. G & g. (1). Fire Extinguisher. All fire extinguishers will be Underwriters Laboratories (UL) listed or factory mutual approved.

g. (1) Facilities. The facilities engineer or user will furnish the initial purchase and installation of fire extinguishers in newly constructed facilities and their replacement in existing facilities. Per NFPA 101. The fire department will inspect and determine the type, size, and location of extinguishers per NFPA 10. Installation/garrisons will not furnish portable fire extinguishers in family housing areas, unless required by NFPA 101.

-The following vendor is provide as a base to order extinguishers, this is the Fort Knox Base Supply Center, the Office Eagle. There are additional vendors that could supply extinguishers.
