

To launch the training video, click on the black box below.

The screenshot shows the Army Casualty Website in a Windows Internet Explorer browser. The address bar displays <https://www.hrc.army.mil/site/active/tagd/cmaoc/cmaoc.htm>. The page features a navigation menu on the left with links such as "Long Term Family Case Management (LTFCM)", "Survivors' Casualty Assistance Guide", and "Benefits and Entitlements". The main content area includes a "Welcome to the Army Casualty Website." section, a "WHAT'S NEW!" section with a "Taking Care of Business" announcement, and a prominent black box with white text that reads "The Record of Emergency Data (DD Form 93): What You Need To Know". A red arrow points from the text above to this black box. The browser's taskbar at the bottom shows the Start button, several icons, and the system clock at 12:14 PM.
