MEMORANDUM FOR

Commanders, All Units Reporting Directly to, This Headquarters
Commanders, Fort Knox Partners in Excellence
Directors and Chiefs, Staff Offices/Departments, This Headquarters

SUBJECT: Fort Knox Policy Memo No. 27 - Use of Privately Owned Unmanned, Model, and Remote Controlled (RC) Aircraft on Fort Knox

1. Reference.

a. Public Law 112-95 (H.R. 658, Section 336), Subject: The Federal Aviation Administration (FAA) Modernization and Reform Act of 2012, 14 February 2012.

b. Notice N JO 7210.891, U.S. Department of Transportation, Federal Aviation Administration (FAA), Subject: Unmanned Aircraft Operations in the National Airspace System (NAS), 25 Nov 2015

c. Advisory Circular (AC) 91-57A, Federal Aviation Administration (FAA), Subject: Model Aircraft Operating Standards, 11 January 2016 (change 1).

2. Background. Public Law 112-95 defines unmanned aircraft as an aircraft that is operated without the possibility of direct human intervention from within or on the aircraft. Section 336 of P.L. 112-95 defines a model aircraft as an unmanned aircraft that is capable of sustained flight in the atmosphere, flown within visual line of sight of the person operating the aircraft, and flown only for hobby or recreational purposes. Unmanned aircraft, including RC model aircraft, may pose a hazard to manned aircraft in flight and to persons and property on the surface if not operated safely. RC model aircraft operations that endanger the safety of the National Airspace System (NAS), particularly careless or reckless operations or those that interfere with or fail to give way to any manned aircraft, may be subject to FAA enforcement action.

3. By order of the Installation Commander privately owned Unmanned, Remote Controlled (RC), and Model (drone/quad-copters) aircraft are NOT authorized to operate over any portion of Fort Knox Military Reservation. IAW AR 95-23 UAS operation in Restricted Area R-3704 (Range Control) for recreational use is strictly prohibited.

4. All other UAS MUST have an approved FAA Certificate of Authorization. This includes UASs for commercial use.

IMKN-PL

SUBJECT: Policy for Use of Privately Owned Unmanned, Model, and Remote Controlled Aircraft on Fort Knox

5. The alternative is to join a RC flying club. There are a few in the local area: Hardin County Radio Control Modelers, Elizabethtown, KY, Louisville Radio Control Club, Louisville, KY, and Knox Model Airplane Club in Irvington, KY (Encl).

6. The proponent for this policy is the Directorate of Plans, Training, Mobilization and Security. Attn: Rickey D. Webb, Air Traffic & Airspace Officer, at (502) 624-5737, DSN 464-5737/5545, Fax (502) 624-2421, or by email to rickey.d.webb.civ@mail.mil.
