Safety Bulletin

FY 17-04

ATTENTION Snow & Ice Ahead

**Hold on because its getting slick out there!
Be prepared to stop spinning out of control!**

Always check the weather before traveling especially during the winter months

Avoid traveling at night when temperatures drop below freezing

If you start to skid in icy conditions do **NOT** keep your foot on the break pedal by doing so will make matters worse

Steer into the skid to gain traction from the tires and slowly regain control of your vehicle

Prior to traveling inspect your vehicle and tires to make sure you and your family are as safe as possible

Keep your emergency kit available and ready for use at all times

**REMEMBER DRIVE FOR THE
CONDITIONS OF THE ROAD NOT
THE SPEED LIMIT**

BE ALERT, STAY ALERT, STAY SAFE!
