

US Army, Fort Knox Installation

Safety Bulletin

FY 17- 12

ATTENTION

Presidents Day

Presidents Day is a time to reflect on past presidents of the United States of America observed on the third Monday of February.

- **Regardless if you are staying in the local area make sure your activities are planned with safety in mind**
- **With less sunlight during the winter months plan most of your travels during the day**
- **Night time driving is more hazardous especially with possible ice on the roadway or bridges when rain freezes over**
- **During this time winter weather can cause hazardous road conditions**
 - **Reduce your speed when snow or ice is possible on the road way**
 - **Be prepared for more traffic and delays around major cities during your trip**

BE ALERT, STAY ALERT, STAY SAFE!
