4th Cavalry Brigade

25 August 2010

Welcome to 4th Cavalry Brigade and congratulations on your upcoming assignment. I am certain you will find your assignment here to be both personally and professionally rewarding.

Our enduring mission is to train and validate National Guard and Reserve units for deployment to Overseas Contingency Operations. We are currently focused on the training of Provincial Reconstruction Teams that are deploying to Afghanistan and we should have this mission set for at least the next year. It's hard work, but I'm sure you will find it to be a great way to serve our Army at war. I'm sure you agree that, as Soldiers, if you can't be in a deploying unit there is no better duty than training those that will immediately deploy to combat.

Your sponsor will be contacting you soon. If you are not contacted, please call the Brigade Executive Officer COM (502) 626-2105, Brigade Command Sergeant Major (502) 626-2100 or Brigade Adjutant/S1 (502) 626-2110. I strongly encourage you to visit your local Army Community Service Center to take full advantage of their Relocation Assistance Program. I also urge you to view our website at www.knox.army.mil/partners/4CAVIAE and to find us on Facebook.

We all look forward to working with and integrating you into our team! Feel free to email me at patrick.donahoe@us.army.mil
